

CHALET COLOMBINE

Luxury chalet for 20 - indoor pool, hot tub, games room

Enjoy your own private cinema, jacuzzi and pool at this fabulous French Alps ski chalet

About Chalet Colombine ...

Always a favourite with OVO Network guests, Chalet Colombine has now been beautifully renovated and extended by its new owners to offer even more!

This refurbished farm, which was built in 1850, now sleeps up to 20 people in seven bedrooms with seven bathrooms. It also has a private cinema and a fabulous indoor swimming pool (5mx3mx1.5m) with a lounge area and its own film screen!

Situated in Les Villards-sur-Thônes, the chalet is a two-minute drive from the main road between St-Jean-de-Sixt and Thônes, and from a large supermarket. The ski resorts of La Clusaz and Le Grand Bornand are both just five minutes drive from St-Jean-de-Sixt, so you've got great skiing in both directions. You will need a car, and there are four parking spaces outside the chalet.

In fact when you stay at Chalet Colombine you've got the best of all worlds, winter and summer, as the chalet is in the mountains and yet within a 30 minute drive of the beautiful lakeside town of Annecy.
